BRUCES ROOM

Turnberry's sense of timeless beauty offers guests a place to gather thoughts, to create new ideas and meet like-minded people. Bruce's Room, awash with soft light from its large picture windows, encapsulates this sense of peace and quiet.

It's a room to suit many different occasions, be they a private dinner, a post-dinner gathering or an informal lunch. A board meeting would also be right at home here. With a capacity of 14, Bruce's Room retains a timeless feel, with high ceilings, original cornicing and gracious furnishings.
